

Kerang District Health

Procurement Activity Plan 2023-2024

In 2023-2024 the Procurement function at KDH will be focussing on the following activities:-

Document Procurement Processes and Establish Formal Business Case Procedure
Review and document current KDH procurement procedures
Communicate and train managers in procurement processes
Establish Formal Business Case Procedure and rollout to staff to empower staff to make business improvement

All planned procurement activities are subject to revision or cancellation.

The activity detailed below is for planning purposes only and does not invite solicitation or constitute a request or proposal, nor is it a commitment by Kerang District Health to purchase the described goods or services. Unsolicited bids received may not receive a formal response from Kerang District Health.
